1. read a book, or a bunch of papers—either way—do get my approval first!
2. present it to class, fa25, 5 people, so 15min presentation (and 25min discussion): more like main talking points, key bottom line, no more than 15slides! ideally 3-8slides (≤ 12 lines of txt per slide; ideally ≤ 10) (sharp! i'll cut you off!!!) (+30min discussion)
3. like with literature review, have some value added from yourself, critique it, etc
4. you can pick anything pending my approval, but here some ideas:
 - key several articles on livability by veenhoven
 - key several articles on happiness as motivator by carver
 - McMahon "happiness: a history"
 - Davies "happiness industry"
 - Toennies "gemeinschaft und gesellschaft" or "community and society"
 - Linden "the compass of pleasure: how our brains make fatty foods..."
 - Jung "psychology of the unconscious"
 - Freud "civilization and its discontents"
 - Wilson "Strangers to Ourselves: Discovering the Adaptive Unconscious"
 - Thoreau "walden"
 - Lane "the loss of happiness in market democracies"
 - Bok "the politics of happiness"
 - Veblen "theory of leisure class"
 - Frank "Darwin's Economy"
 - Csikszentmihalyi "Flow: The psychology of optimal experience"
