XXX TODO ADD TO EBIB AS KEYWORD PAPER-CODE-NAME AND TAG WITH EBIB KEYWORDS

There is much research on population size and SWB as recently summarized in city unhappiness is common, but there is very little research on population change and SWB. Google scholar queries such as “population change and happiness” “city growth and happiness” “population growth and happiness” “population decline and happiness” do not yield relevant literature except shrinking city and happiness

Dsth i guess the key and then there is haart; and that pap in reg sci sth descr here

1 data and method

boilerplate from joanie paper

2 results

TODO: have separate som-r.tex as opposed to having it below; and in paper say see supplementary material as opposed to see appendix!

ONLINE APPENDIX

[note: this section will NOT be a part of the final version of the manuscript, but will be available online instead]
