

ps0: upto 3 points of extra credit

[version: Saturday 22nd January, 2022 11:34]

- 1
 1. produce a one page outline or an abstract or a summary of what you'd like to write a paper about in this class
 2. be as specific as possible; eg: lit rev only (and i'd do quant for you)? quant? (dataset, vars, model)
 3. submit on canvass by the beginning of the next class
