

ps1: due in 4 weeks (feb21)

[version: Tuesday 25th January, 2022 10:35]

1. write paper introduction and much of theory section, and ideally at least some quant (again i can help!) based on covered material building on my comments on your ps0
2. as always, do have inline response to ALL my comments on previous ps, (ps0), including those in writing, and verbal ones [i'll try to keep track of those too and substract points if you dont respond]
3. again, in addition to assigned readings, dont forget about doing your own lit rev! whatever you study, just put that and 'happiness' into goog sch and do lit rev! eg for libraries: https://scholar.google.com/scholar?hl=en&as_sdt=0%2C31&q=libraries+and+happiness&btnG= then may adjust query, say https://scholar.google.com/scholar?hl=en&as_sdt=0%2C31&q=reading+books+and+lhappiness&btnG= or: https://scholar.google.com/scholar?hl=en&as_sdt=0%2C31&q=public+space+and+happiness&btnG= lit rev takes time, and is necessary, start now!
