 1. final draft–write based on covered material and building on my comments on your previous ps–don't forget about inline response to **all** comments on ps4!
 2. submit as txt or pdf into Canvas
 3. as always, along with the writeup do submit the code! (dofile, R code, Python code, etc) AND dataset OR give exact link to the dataset and its decription so i can download it

have track changes! (so i can see what you did relative to last one)
