ps3: due in 2 weeks

[version: Monday 21st February, 2022   07:40]

1

1. another draft–write based on covered material and building on my comments on your previous ps–don't forget about inline response to *all* comments on ps1!

2. as always, along with the writeup do submit the code! (dofile, R code, Python code, etc) AND dataset OR give exact link to the dataset and its decription so i can download it
