ps0: upto 2 points of extra credit

[version: Thursday 13th September, 2018   13:30]

1

1. produce a one page outline or an abstract or a summary of what you'd like to write a paper about in this class
2. and find a dataset(S) you'd like to use for this class, the sooner you find it (them), the better! and describe how you'd use it, especially in terms of specific variables
3. submit as txt or pdf into Sakai's dropbox by the beginning of the next class
